About Miss Olga:

I was born and raised in Belarus, former Soviet Union, and was in gymnastics for ten years, and competed at the elite level in national competitions, earning the title of Master of Sport of the USSR when I was sixteen. I taught gymnastics at the Newton YMCA 2001-2003, and since 2004 I have been offering non-competitive gymnastics for the Grinnell Recreation Department. My program has been very successful, and I am excited to share my experience and expertise with the children of Grinnell.
