

Grinnell High School Student Achievement Data

2013-14

Definition of terms

- AIG: Annual Improvement Goals (Set by the district, must be measurable, approved by the School Improvement Advisory Committee and then by the board)
- SIAC: School Improvement Advisory Committee (District Employees, Community Members who look at student achievement data and make a recommendation to the board for student achievement goals).
- AYP: Adequate Yearly Progress (NCLB stair-step model of proficiency) which is reported to the state. Schools must meet AYP or go on a watch list, then become a SINA school

District Annual Improvement Goals

- 1) Promote high levels of student achievement in all subject areas, with special emphasis on literacy, math, science, & 21st Century Skills
 - All FAY students in grades 4, 8, and 11 will meet or exceed typical NSS growth on Iowa Testing in math and reading.
 - All FAY students in grades 8 and 11 will meet or exceed typical NSS growth on Iowa Testing in science.

GHS Reading Data (AIG)

9th Grade (13-14)	Improved NSS	Met/Exceeded Growth	Avg. NSS Growth
106 (FAY students)	84.9%	68.9%	24.7 Points

10th Grade (13-14)	Improved NSS	Met/Exceeded Growth	Avg. NSS Growth
110 (FAY students)	79.1%	63.6%	16.1 Points

11th Grade (13-14)	Improved NSS	Met/Exceeded Growth	Avg. NSS Growth
115 (FAY students)	44.3%	37.4%	-3.1 Points

At-Risk Information & Criteria

- At-Risk is a term defined by the Dept. of Ed. as students “who need supports in order to ensure they make sufficient academic progress to graduate.”
- Criteria are set locally as:
 - 1) Chronic failure (1 core or 1+ elective courses)
 - 2) Excessive absenteeism (below building ADA %)
 - 3) Disciplinary Referrals (above average for building)
 - 4) 2 years non-proficient on ITED Reading or Math
 - 5) No extracurricular involvement in school events
- * Students must meet 2 of the previous criteria

Trends . . .

- What did you see that constituted a trend (movement of data in one direction or another?)
- Without gearing our whole professional development for 2014-15 toward IA Assessment scores, what are some very simple things we could be doing in our classes to help improve these numbers?

Tentative Action Plan for GHS

2011-12 District AIG

- All FAY students in grades 4, 8, and 11 will meet or exceed typical NSS growth on Iowa Testing in math and reading.
- All FAY students in grades 8 and 11 will meet or exceed typical NSS growth on Iowa Testing in science.
- The district will develop a common language and process to assist students in goal setting to promote individual growth K-12.
