

<b>Date: September 20, 2017</b>	<b>GHS Seminar</b>
<b>Grade Level: 9<sup>th</sup></b>	
<b>Recommended Sequence</b>	<b>Seminar Meeting</b> 1. Have your students sit in a circle or some configuration where they can all see each other.
<b>Objective(s) / Learning Target(s):</b>	1. Students will get to know each other by answering “Would you rather . . .” questions in a group setting.
<b>Materials Needed:</b>	<b>Materials</b> 1. Would you rather questions (listed below). 2. Homecoming 2017 Powerpoint
<b>Suggested Process:</b>	<p>1. This is simply a fun way to get your students talking and thinking. Some of the questions are more serious while others are less than serious, but all students can have the opportunity to answer the questions. They should focus on listening to each other and feel free to ask the follow-up question (“Why?”) after students answer.</p> <p><i>Would you rather have a boring repetitive job that paid \$100,000/year or an engaging job that you really enjoy but it pays \$50,000/year?</i></p> <p><i>Would you rather have \$50,000 free and clear or \$150,000 that is illegal?</i></p> <p><i>Would you rather have a photographic memory or gain an extra 40 IQ points?</i></p> <p><i>Would you rather stay in a luxury hotel free of charge for one year or have a chauffeur driven limousine free of charge for one year?</i></p> <p><i>Would you rather have a photographic memory or be able to forget anything you wanted?</i></p> <p><i>Would you rather be unable to see for one day or unable to use your phone for one month?</i></p> <p><i>Would you rather be able to fly or turn invisible?</i></p> <p><i>Would you rather be able to lie without being caught or always be able to tell when someone is lying?</i></p> <p><i>Would you rather have an extra hour every day or have \$40 given to you free and clear every day?</i></p> <p><i>Would you rather be the star player on a losing basketball team or ride the bench on a winning one?</i></p> <p><i>Would you rather have an ugly scare across your face or lose 15 points of intelligence?</i></p> <p><i>Would you rather be the smartest person in your peer group or the most attractive person in your peer group?</i></p>

	<p><i>Would you rather look better in photographs than you do in person or look better in person than you do in photographs?</i></p> <p><i>Would you rather receive a lifetime supply of meals from your favorite restaurant or a life time supply of gasoline?</i></p> <p><i>Would you rather be able to see one year into the future or change any one decision from your past?</i></p> <p><i>Would you rather lose your sense of taste and smell or lose your ability to distinguish colors?</i></p> <p><i>Would you rather know with out a doubt the purpose and direction of you life or never have to worry about money for the rest of your life?</i></p> <p><i>Would you rather have to leave the country you now live in and be unable to return or spend the rest of your life being unable to make more than minimum wage?</i></p> <p>2. Once you are done with this (give yourself the last 10 minutes of Seminar) take them through the Homecoming 2017 Powerpoint and explain the happenings of Homecoming Week 2017.</p>
